The school and the “Well’Come” team can help students, if they wish, find accommodation for the duration of their stay in Rennes</p>																					

	<p>✓ Accommodation in Rennes needs planning and reserving in advance as it is a university city with over 60,000 French and international students every year. Rents can vary depending on the landlord, the location and the services and equipment provided. Students are therefore strongly encouraged to reserve their accommodation as soon as possible after having been accepted.</p>
Insurance	<p>✓ <u>Travel insurance</u></p> <p>Before the students leave their country, they must make sure that they have taken out travel insurance with repatriation in case of serious health problems, accident etc.</p> <p><i>N.B. If not, the students can buy this with their French bank.</p>
Visa	<p>✓ All students living in a non-European country will have to apply for a visa. Please check with you nearest Campus France agency, French Embassy or Consulate.</p> <p>✓ The OFII form will enable the students to travel in the Schengen-member countries and will entitle them to the housing allowance. If they do not go through this formality, they may not be able to re-enter France in the future.</p> <p>✓ On acceptance at ESC Rennes School of Business the students will receive the official acceptance letter in English, its translation into French (for visa purposes) and an additional letter in French for the Embassy / Campus France</p>
Welcome on arrival	<p>The Well'Come team is a student organisation that is here to welcome the students to help them integrate into the school and life at Rennes.
