Class: Jan. 2, 3, 25 and 26, 2018

Field trip: January 5-16, 2018

DARWIN AND THE GALAPAGOS ESCI 227/4 cr.

Satisfies GE science lab course, & 7NI, 7GC

The Trip of a Lifetime!

Cruise the Islands on a First Class 125 ft./16 passenger yacht chartered just for Chapman! Plus 2 nights hotel in Guayaquil and 2 nights hotel in the Galapagos!

Snorkel on the equator with penguins, turtles and sea lions, photograph wildlife from an arm's length. Walk in the footsteps of the famous naturalist Charles Darwin!

Spaces Will Fill Quickly!

See: Giant Tortoises, Marine Iguanas, Flamingos, Dolphins, Whales, Sea Turtles, Blue Footed Boobies, Penguins, Sea lions, Darwin Finches and so much more!

Visit 10 islands in 12 days - Darwin only visited 4 in 5 weeks!

For more information contact Jean Lawson, Travel Course Manager, at 714-744-7858, Dr. Fred Caporaso, at (714) 997-6638 or Dr. Jason Keller. The cost is \$6,206 plus roundtrip airfare from the USA to Guayaquil. A \$621 deposit is needed to hold your space. Permission of the instructor is required for registration, so don't delay. There are only 14 spaces available.

This course is guaranteed to be a highlight of your life!!!!
